

Closure barbecue at Bettens – Friday 20th of July

After the closure session, all of you are invited to a last friendly party in the Swiss countryside. We'll have a BBQ and, perhaps, you will enjoy a few dance steps to make a night...

Hereafter, one or two maps to help you find the spot of this event.

By car...

How to reach the *wonderful*¹ village of Bettens?

About 50 m after the sign entering the village, turn right between the first two farms of the village, and drive a few hundred meters on a dusty road.

On right hand you'll see a big wooden hut in which we will enjoy the meal and the music.

By train...

If you're going there from **Yverdon**, take the train leaving at 17:34 and stopping at 17:41 at **Chavornay** and wait in the station until someone come with a car and take you to **Bettens**.

Dress code

There is a room on the spot to change clothes in case you want to feel more comfortable.

Looking forward to seeing you there

Bernard Collet

¹ You have to guess why it is a so wonderful village.
