In case of nice weather only !!!

Email will be sent on Wednesday evening

The Summer University Team is happy to invite you to a farewell barbecue. Here are the information about that event.

Don't forget to take warm and comfortable clothes...

Directions

SNU students: From EPFL Atrium you can walk to the place we'll meet for the BBQ (red dot on the map next page). We went to the « centre sportif universitaire ». It's a little bit further. You can take the path along the beach and reach the destination quite easily (look at the map !)

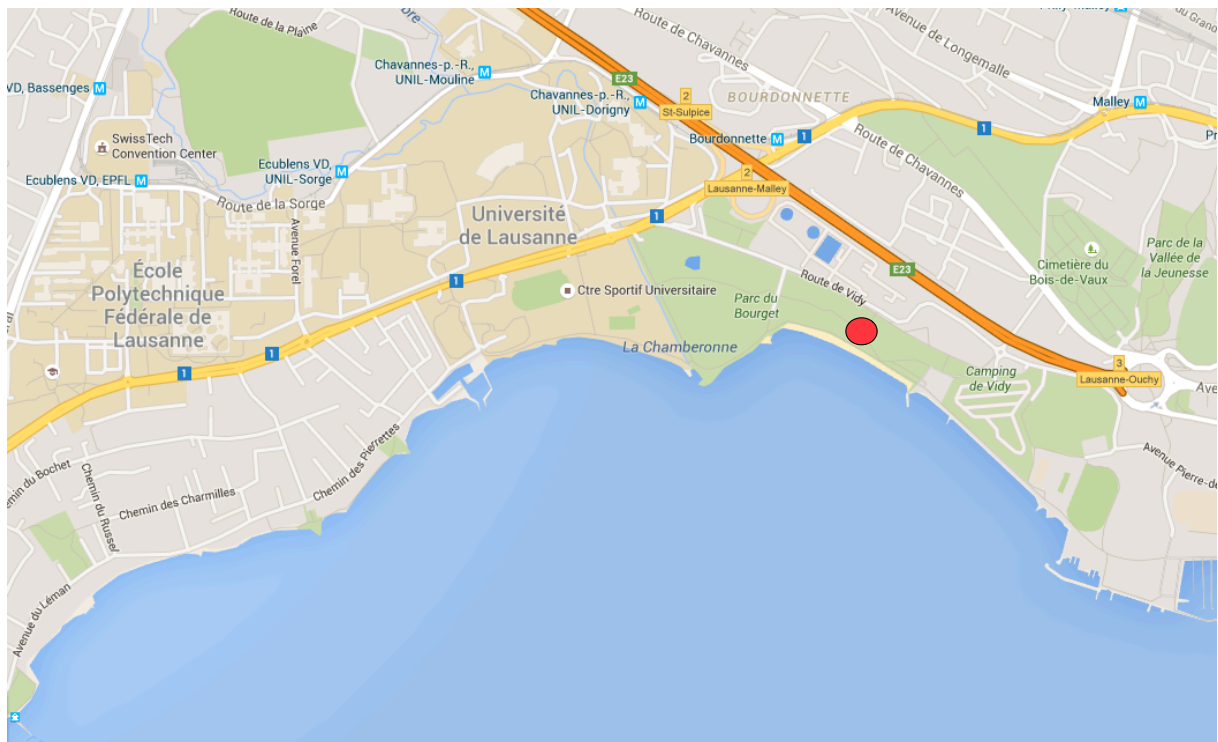

HEIG-Vd students : The nearest bus stop are « Bourdonnette» or « Maladière » I think. We will meet at the Vidy beach (red dot on the map next page) near the camping (direction « centre sportif EPFL-UNIL). There is also a parking near by.

Timing

Meeting at **around 17 :00** at Vidy (red dot on the map)

What will be provided

We will offer you one « saucisse de veau (calf sausage) », one beef steak, barbecue sauce, mustard, potato and eisberg salad, non alcoholic soft drinks, plastic plates, forks and knives.
